### **Grand Knights Message:**

I would like to start my first Grand Knight message with a tremendous thank you to PGK Neil Derosa. For the past two years, Neil has demonstrated leadership and dedication and has been an inspiration to me as well as all Knights in our council. Through the course of Neil's reign he has done great things for the community, the Parish and the Knights some of which include putting together many fundraisers in which he earned funds to donate to the parish for the new flooring in Madonna Hall as well as supporting and forming the sister council of the Columbiette's which recently received an award for being one of the councils that has the most new members join. Thank you, Neil! A special thank you to all the other officers that are retiring from their duties. A great year was had. Additionally, thank you to all the officers that have stepped up to the call and have taken on new or existing roles for the current Columbian year.

The feast is almost here! Remember it is July 8<sup>th</sup> – July 12<sup>th</sup>. This is a big fundraiser for the church and we need all hands on deck to help the feast be a successful event. Help is needed in many areas including: the Casino, Security, as well as at the café and with food. Please help your brother knights that are taking ownership of these. Casino (Ralph, Nick, and Dom) Security (Gene & Bill) Café and Food (Sal)

The 13th annual golf outing has been postponed as the weather did not cooperate. The golf outing is the largest fundraiser for our parish. The new date will be Monday August 10<sup>th</sup>. Thank you to all who will participate and help support the church. This year the money that is raised will be used for the new bathroom that will be installed in the front of the Church.

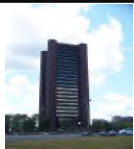

On June 25th we had our annual meeting at the main event. We had 20 brothers come out. Hopefully this event will continue to grow. Thanks everyone who came out.

On June 28th we had a light breakfast to honor Deacon John Burkart. Ordained in June of 1990, Deacon John Burkart has baptized more than 1000 babies and presided over hundreds of weddings, wake services, and burials. He has a Ph.D. in neuroendocrinology, and he has counseled people suffering from depression, anxiety, and substance abuse problems," Deacon John said as he explained how his education and experience in the field has allowed him to minister to those struggling with mental illnesses. "I know about neurological disorders; I can give good advice." It was a great day of bagels, danish and donuts! Thank you for all the brothers that came out and helped.

Here are a few dates to remember: Thursday July 2 we have our officers meeting. There will be no meeting on the 9th. The next meeting will be Thursday July 23<sup>rd</sup>. The Annual picnic is on Sunday August 16. Everyone please come out and support your newly elected officers at the installation which is Saturday August 29.

The next two years I will work hard to continue to support my brother knights as well as the church and community. My intentions are to bring more brothers together. Whether it be by different fundraisers or doing some different activities. We have 113 members in our order. It will be great if we can get a bunch more of the brothers active. I know Neil has done an amazing job bringing members in now I want to get them active. There are so many great organizations out there that we can help support. I would like to focus on supporting St Jude. Being the youngest Grand Knight that we have had in our council I think this would be a great charity to support. The mission of St. Jude Children's Research Hospital is to advance cures, and means of prevention, for pediatric catastrophic diseases through research and treatment. Consistent with the vision of our founder Danny Thomas, no child is denied treatment based on race, religion or a family's ability to pay. Families never receive a bill from St. Jude for treatment, travel, housing or food — because all a family should worry about is helping their child live. Treatments invented at St. Jude have helped push the overall childhood cancer survival rate from 20% to more than 80% since it opened more than 50 years ago. The budgeted daily operating cost of St. Jude is \$2 million. Approximately 75% of the budgeted costs of St. Jude are covered by public contributions.

***Fraternally, Grand Knight Dominick Sala***

## **"STATE COUNCIL NEWS"**

The call for Knights of Columbus to practice a charity that evangelizes was the message that Supreme Knight Carl Anderson and Supreme Chaplain Archbishop William Lori brought to state deputies and state deputy-elects through their addresses to the 2015 Organizational Meeting of State Deputies.

# KNIGHTS OF COLUMBUS HISTORY

**PART #12** In A Series

## HERE IS OUR STORY MONTH BY MONTH 1941 TO 1950

1941: When the U.S. enters World War II, the Order's outreach to soldiers is conducted via the National Catholic Community Service organization. The NCCS models many of its programs on the Order's successful WWI efforts.

1944: The Order creates a \$1 million trust fund for the education of children of members who lost their lives in or as a result of World War II. This evolves into the current scholarship fund for use at Catholic colleges and universities in the United States and Canada.

1945: John E. Swift is elected supreme knight. Among his first initiatives is to authorize funding for full-page advertisements in 12 major U.S. newspapers and five Canadian papers highlighting the dangers of communism. The ad offers a free copy of Msgr. Fulton J. Sheen's pamphlet, "Communism, the Opium of the People."

1946: The Order launches its Crusade for the Preservation and Promotion of American Ideals. Educational pamphlets on communism and the dangers of secularism are published and distributed. By August 1948, there are more than 1,300 K of C discussion groups.

1947: Several hundred radio stations broadcast K of C-sponsored programs with the titles "Safeguards of America" and "Foundations of Our American Ideals."
