Grand Knights Message:

Another month has come and gone. This month was Groundhog's Day. This year he did not see his shadow which means an early spring. For most people this would be a good thing. However I am not most people and I love the cold and the snow. With that being said not much was done in the month of February. We did receive a check for \$736 from all of the C&B Books that were sold. Thank you PGK Neil Derosa for being the chairman for that and doing an amazing job. We will be starting up shortly for the New Year. When Neil sends them out please mail them back to him. This really helps the council out. The State Council this year will be trying to start a new event for C&B Books. They will be doing a picnic. I would love for us to be the Host Council for this. We will get extra books for doing that. It could be a huge win for us. Plus we are able to get our name out there and show what St Pius can do! Hopefully by my next message we will have more information on it. The month of March is a very busy month for our council. We need everyone's help to make this a successful month. On March 5th we have our St Patrick/ St. Joes Dinner. Set up will be earlier in the day. We need to set up tables/ chairs and stations in the gym. We need to have it in the gym for the Irish step dancers; we had to do it early this year because of how Easter falls. Hopefully people will be out of the snow and ready to start celebrating the spring and the Easter season. On March 10th Atria will be hosting a Wine and Cheese day for us between 4pm-6pm. They donate a bunch to us. It would be great if we can have a great turnout for this FREE event. It is on the same day as our regular meeting so our meeting time has changed to 6:30pm instead of 8pm. On Friday March 18th we will be doing the Stations of the Cross at 7pm. That same weekend we will have Breakfast with the Easter Bunny on Sunday March 20th. All hands on deck for this event. It is a huge Fundraiser for us. There will be NO MEETING on March 24th as that is Holy Thursday. There will be a social On Wednesday March 30th at Cue 9. See Arnold Bendig for details. Erica and I will like to wish everyone a very Happy Easter!!

Fraternally, Grand Knight Dominick Sala

KNIGHTS OF COLUMBUS HISTORY

Part 18 In A Series

HERE IS OUR STORY MONTH BY MONTH 1979 TO 1999

1979: The Order holds its first Marian Hour of Prayer program. Images of Our Lady of Guadalupe circulate among the Order's councils.

1979: In cooperation with the U.S. bishops, the Order underwrites the filming of Pope John Paul II's first pastoral visit to the United States.

1979: The Knights establishes a \$1 million Father Michael J. McGivney Fund for New Initiatives in Catholic Education to be administered by the National Catholic Educational Association. Annual proceeds are used to this day to finance programs that advance Catholic schools.

1981: The Order establishes the Vicarius Christi Fund, with annual earnings used for the pope's personal charities. The initial fund of \$10 million is increased to \$20 million in 1988.

1981: The Order begins a four-year restoration of St. Mary's Church, the birthplace of the Knights. The renovations include work on the organ, floors, pews, ceilings, statues and more. The project is capped by the placement of a 179-foot steeple atop the church.

1982: The Knights of Columbus celebrates its centennial. President Ronald Reagan attends the Order's 100th annual convention. Also in attendance is Cardinal Agostino Casaroli, who is sent by Pope John Paul II as the pope's personal envoy.

1982: The Order establishes several funds to help finance studies for priests and seminarians in Rome at pontifical colleges. These funds have been increased over the years to support seminarians and priests from the United States, Canada, Mexico and the Philippines.

1984: In recognition of the Order's volunteer service, President Ronald Reagan awards the Knights a President's Volunteer Action Award at White House ceremonies.

1985: The Order presents a mobile television production unit to the Vatican Television Center for the taping, recording and transmission of papal ceremonies. It is used during Soviet leader Mikhail Gorbachev's historic visit with Pope John Paul II that same year.

1985: The Order agrees to underwrite the restoration of the 65,000-square-foot facade of St. Peter's Basilica, the first time it has been cleaned in more than 350 years. Several subsequent projects have taken place at St. Peter's, including the restoration of chapels and of the Holy Year Door.

**April 16th O'Connell Gardens
Oceanside, N.Y. in the Grand allroom**

This year Nassau comes together to Honor our retired Priests at the "St. Pius X Enriched living Center" in Amityville, N.Y.
Contact: Jim Albert, PGK, FDD or GK Dominick Sala for tickets.

It is with great sadness that I inform you of the passing of our beloved friend and Sir Knight Bob Doud. Bob's service in leadership to our order included his recognition as a Past Grand Knight, Former District Deputy, Former Nassau Conference Chairman and an active Knight for over 65 years. Bob very capably used his experience as a teacher to exemplify the lessons of our 3rd degree as a most memorable Conferring Officer. Bob was a Charter Member of Fr. John Farrell Council, a mentor to many of us, an Honorary Life member in both the 3rd and 4th degrees of our order and he loved to spend time with his brother Knights.

Father of the 3rd Degree
